

NOTIFICATION OF CFS PROTECTION

Placing Mechanical Protection on this Charter

This charter is protected by **Charter Flight Support (CFS)** should a mechanical situation occur. To protect the charter, CFS requires certain information to verify the eligibility of the MX issue.

As the operator of this trip, please confirm that, in the event of an unforeseen mechanical issue, you/your team will provide the information below via a **"Tech Log"** or similar suitable document.

✈ INFORMATION NEEDED:

- ☐ Date the MX issue occurred
- ☐ Tail number of impacted Aircraft
- ☐ Description of the MX issue

We appreciate your transparency and cooperation with this process!
